RANCH CHALLENGE

OPEN TO ALL EXHIBITORS AND ALL HORSES REGARDLESS OF AGE OR BREED.

PRE ENTRY FEE: \$100

ENTRY AT THE SHOW: \$150

AQHA Ranch Riding rules to be followed and AQHA scoring system will be used.

All exhibitors will show the pattern portion which will consist of ranch riding and ranch trail maneuvers and obstacles. At the completion of the pattern exhibitors must remain in the holding area, exhibitors may walk their horses if they so choose, no schooling, trotting or loping will be allowed.

Following the completion of all patterns; exhibitors will then show in Ranch Rail Pleasure where they will exhibit a walk, trot, lope, extended gaits and maneuvers at the discretion of the judges.

After the completion of the rail portion, exhibitors will be given 5 minutes (2 grooms and a wheelbarrow are allowed) to untack and prepare for the ranch conformation portion. Time will begin when the first groom enters the arena.

Horses must show in all parts of the challenge to receive final placings. Any horses that are dismissed or mark a zero in any portion will not be placed in the final placings.

Each of the three portions (ranch pattern, rail, conformation) will be scored independently. Those scores will be averaged to have one score per portion. That average score will be combined with the other portions to determine the final scores and placings.

Should there be more than 20 entries, all entries will perform the pattern. The top 15 scores will return to the rail and conformation portion of the class.

All added money classes will follow the following payout schedule:

Percentage of Payback based on Placing and Paid Entries

. Number of Paid Entries															
	1-2	3-4	5-6	7-9	10-12	13-15	16-19	20-23	24-27	28-31	32-35	36-40	41-44	45-49	50+
